~~House File 2783 is approved this date with the following exception:~~ DIVISION I FY 2026-2027 APPROPRIATIONS --- DEPARTMENT FOR THE BLIND Section 1.

~~GENERAL~~ Division 1 ~~Section 2(33) is a provision, along with~~ ~~FUND~~ ~~ts associated funding that constitutes~~ APPROPRIATIONS a--- ~~clear and~~ ADMINISTRATION. ~~unmistakable earmark~~ ~~drafted, designed, and lobbied for by a specific information technology and cybersecurity firm. The provision~~ ~~allocates one time state funding to incentivize school districts to subscribe to ongoing cybersecurity services. What~~ ~~it does not disclose is the financial commitment that follows: once a district subscribes, it~~ ~~assumes recurring annual costs that will substantially and persistently exceed the limited one-~~ ~~time appropriation contained in this section. In effect, this earmark uses a modest sum~~ ~~of taxpayer dollars as an inducement to lock Iowa school districts into long-term vendor relationships--~~ ~~shifting the true cost of this arrangement to local budgets for years to~~ ~~come, with no guarantee of continued state support to offset it.~~ ~~Additionally, cybersecurity services of the type described in this provision are already~~ ~~accessible to every school district in Iowa through state-negotiated master agreements--~~ ~~contracts specifically designed to deliver quality services at discounted pricing, without directing public dollars to~~ ~~any single vendor. These agreements exist precisely so that districts can meet their technology and security~~ ~~needs efficiently and competitively, selecting the vendor that best serves their students and communities.~~ ~~Every school district in Iowa already has the tools and authority it needs to secure robust cybersecurity services--~~ ~~at favorable pricing, from the vendor of their choice.~~

~~For the above reasons, I respectfully disapprove that part of House File 2783 as specified above,~~ ~~in accordance with Article 111, Section 16, of the Constitution of the State of Iowa.~~

~~The remainder of House File 2783 is approved as of this date.~~
